It didn't

- What

The screenshot shows a Microsoft Edge browser window with the URL [www.bing.com](http://www.bing.com) in the address bar. The search bar contains the query "azure app service ruby scott hanselman". The main content area displays a large, dark blue image of a butterfly wing. In the center of the wing, there is a portrait of Scott Hanselman, a man with a beard and brown hair, smiling broadly. At the bottom of the image, there is a horizontal news ticker with various headlines. The browser interface includes a top navigation bar with links like Bing, GATE - Growth Engine, Internal Sites, Azure, Office 365, MCSD: Azure ...oft Learning, Google, f | Today, Add to Wish List, Clip to OneNote, Home - Open Source Hub, Tiki Niki, and a sign-in link for Michael. The bottom of the screen shows standard browser controls and a footer with copyright information.
